The settlement has been approved. We will be moving the Court for an additional stay of a few days to allow Plaintiff's counsel and I the opportunity to shuttle copies of the agreement across the country for execution, and we plan to file the dismissal on Tuesday. Once the Court enters the agreed order, the window on the payment of fees starts ticking. I will send you all copies of the fully executed agreement to Stephanie, Ankur, and Steve for distribution to their program clients, as necessary.

Thanks to everyone for all your hard work, patience (with both me and Plaintiff), and resilience on the sticky issues. I enjoyed working with you all very much. And congratulations!

Kris
